## *Quarterly Newsletter*

*Volume 30, 2021*

*From the Director —*

There are so many great things happening at The BRICK right now that I don't know where to begin!

First – many thanks to the Otto Bremer Trust ([ottobremer.org](http://ottobremer.org)) for their ongoing support of our organization and the people we serve. The BRICK recently received a grant award from OBT of \$50,000! These funds are unique in that they are targeted toward our operating expenses rather than program expenses. OBT has a deep understanding of what it takes to make a nonprofit successful. One key to success is to bring in revenues that can pay *our* electric bill so we can keep helping consumers pay *their* electric bill. Thank you Otto Bremer Trust!

I'm also thrilled to announce that The BRICK will be hosting an AmeriCorps VISTA member who will start their year of volunteer service in late August! The VISTA member will be working on a special project to develop a community education plan that will address the causes of poverty in our community. We'll be recruiting for this position in the near future. It's an honor to be selected as a host and we're looking forward to working with the VISTA member and with Serve Wisconsin, the AmeriCorps VISTA presence in our state.

On a sad note, we say goodbye to our Benevolence Manager Sam Ray. Sam has worked with our program participants for nearly five years to help them achieve or maintain stable housing. She's met with hundreds of people during that time, compassionately listened to their worries, and helped them navigate financial difficulties. Sam has been a fantastic advocate for our consumers on numerous governmental and provider committees. Please be sure to wish her all God's richest blessings on all her endeavors.

The thread that ties these announcements together is The BRICK's mission and vision of Christ-centered service to everyone in our community. Peace and joy to us all!

*Liz Seefeldt, Executive Director*

## Celebrating 10 Years of Service

The Cable Area Food Shelf is celebrating its tenth anniversary this month! Ten years ago, the pastor of the Cable United Church of Christ, Deb Pyne, decided Cable needed a food pantry. She worked with the pastors of the four churches in Cable to come together and start one. After visiting several area food shelves, including The BRICK, we were offered a chance to become the second outlying site for The BRICK's Food Shelf Program, Mellen being the first. Later the South Shore site was added to complete coverage for all of Ashland and Bayfield Counties.

All four congregations - Cable United Church of Christ, Living Hope Community Church, St. Ann Catholic Church, and Trinity Lutheran Chapel – pulling together make our pantry a success. They each bring in parishioners to staff the food shelf on their assigned month and are ambassadors for our pantry. Together they add to the strength of our network and the quality of our services. Though we have had occasional changes in the volunteers who help by coordinating other volunteers from their churches and taking their turns coordinating the food shelf, all four churches remain involved and very supportive of the mission and vision of The BRICK to provide help to those in need. We look forward to many more years of service as part of The BRICK.

*Teri Hanson, Outlet Site Manager*

## BENEVOLENCE

**Sam Ray**

Gladys called The BRICK looking for some help with her bills. She had weathered the storm of COVID-19, but her finances were tight. Gladys works two jobs and has had to be off work periodically due to people testing positive. The Benevolence Manager was able to help with the water bill and connected her with the link for Energy Assistance for her electricity (<https://energybenefit.wi.gov/>). Gladys picked up the application available at The BRICK for the Wisconsin Emergency Rental Assistance program being administered by Northwest Wisconsin Community Services Agency. Gladys left The BRICK feeling reassured that she would be able to get back where she wanted to be with her finances.

The Benevolence Program not only provides financial assistance but works to ensure that participants are given information on additional resources to put them in the best financial position.

# From the Board Room

ESTHER MARIE PUFALL

## Reflections from an Out-going Board Member

Growing up in northern Wisconsin, natural water has always been a part of my life—Lake Superior, Chequamegon Bay, Brule River, Morgan Falls, Lake Owen... (I could go on and on). Each body of water is a living entity, filled with beauty and power, dangerous currents and calm serenity. The roar of rushing rapids gives way to smooth still waters. Each human journey can be compared to traveling the many waters of life. Sometimes the waters are peaceful, feeding our souls with peace and other times we are plummeted by treacherous waves, rocks and rip currents, often appearing without warning.

It is during these turbulent times of life that The BRICK is present—to fulfill its mission—to keep individuals and families afloat until they reach the calm. Our lives are ever-changing and there are times that we need help to keep our vessel afloat, to keep us from capsizing, to save us from drowning until we can navigate on our own.

This is what The BRICK does. This is what I have learned during my six years of serving on the Board. The BRICK is an amazing faith-based organization dedicated to keeping people afloat. The BRICK manages an annual budget of \$980,800, more than half of which is the value of donated food. These funds come solely from grants and donations. The more money that is contributed to The BRICK, the more people can be helped. By the middle of each month, the money for financial aid other than food is used up. The BRICK staff tell me that the hardest part of their jobs is to tell a patron that we can't help them this month. Referrals are made to other agencies but resources are scarce all over.

In 2020, the BRICK assisted 6,068 families and 14,051 individuals with food and 430 families and 950 individuals with financial aid to stay healthy such as housing, heating, and transportation.

The most incredible resource at The BRICK is its staff followed closely by the volunteers. Liz, Amaris, Cheyenne and Sam comprise three full time and one parttime positions. They keep the organization going with passion, dedication, and very hard work. They keep our community afloat. I have worked in various positions and organization and they truly are the hardest working people that I have encountered.

It is with heartfelt thanks to the staff, volunteers, and the very dedicated, creative Board members that I leave my Board position. I can honestly say that The BRICK is a most valuable and viable organization to contribute to monetarily or with time and talent.

I have faith that The BRICK, with the help and generosity of the surrounding communities, will continue to support those caught in the rough waters until they reach their destination on the calm side of the shore.

# 12th Annual Jack O'Brien Memorial Charity Golf Tournament

**Saturday, July 31, 2021**  
**Chequamegon Bay**  
**Golf Club**  
**Ashland, Wisconsin**

## From the Office *Cheyenne Reeves*

Gardening season is here! If you love to get your hands down in the dirt, I have the perfect volunteer opportunity for you! We'll be looking for a small crew to help out in the community garden plot managed by Bill Polencheck, the Outlet Site Manager for Mellen's Helping Hands Food Shelf. Carpooling opportunities are possible and fun times are guaranteed. Contact me for more details.

Since January, our volunteer crew has put in a total of about 2,298 hours across all of our locations. This breaks down to an average of about 459 hours per month. How amazing is that? As we move into the summer, we'll be looking for additional volunteers to help out around the agency. If you'd like to become involved, please contact me at: (715) 682-7425 | [officemanager.thebrick@centurytel.net](mailto:officemanager.thebrick@centurytel.net).

Here's to a great summer!

**Cheyenne**

## Food Shelf Locations and Hours

Ashland, 420 Ellis Ave., Mondays-Wednesdays, 9 a.m. to 3:30 p.m.;  
Thursdays, 9 a.m. to 7 p.m.

3rd Thursdays, Nov.-Dec., 11 a.m. to 6 p.m.

South Shore Food Shelf, Cornucopia, Bell Community Ctr., 22615 Co. Hwy.  
C, 1st and 3rd Thursdays, 10 a.m. to 3 p.m.

Helping Hands Food Shelf, Mellen, Mellen City Hall, 102 Bennett St.,  
3rd Thursday, 11 a.m. to 5 p.m.

## Amaris Shrider

Food Shelf Manager

Greetings!

Things have been moving along smoothly with the staff transition. I am grateful to fit in nicely with a dedicated, hard-working group of volunteers and staff.

We are looking forward to opening our doors again to be able to offer a choice-model food pantry for consumers.

So far, TEFAP (The Emergency Food Assistance Program) Guidelines allow for reopening at the beginning of October and we will continue curbside service through that time.

As our thoughts turn to summer, we are looking to partner with area farmers and gardeners to coordinate more fresh produce for our Food Shelf consumers. Although we are grateful to be able to distribute fresh produce year-round thanks to our partnerships with Feeding America and Second Harvest, some surveys suggest that fresh produce is the second-most requested items by consumers and 60% receive half or more of their monthly produce from food shelves. Please keep us in your plans when planting this season, or consider donating your harvest over-abundance. We are also able to organize volunteers to glean the leftovers.

Also, as our consumer participation numbers are down, we HAVE FOOD! Our income guidelines went up considerably with the pandemic, so if you or someone you know may benefit from supplemental food, we encourage you to check the income guidelines listed on our website, find us on Facebook, or just give us a call!

### **Gardeners Wanted!**

### **Help Out in Our Mellen Community Garden this Summer!**

The BRICK is looking for a crew of volunteers that love to get their hands down in the dirt to help out with the Mellen community garden plot this summer! Gardening sessions will be scheduled as needed through the season. Tasks include general garden maintenance, such as planting, weeding, and harvesting. Produce

harvested from the garden will be distributed through our food pantries! Carpooling opportunities may be an option. To learn more or to sign up for this fun seasonal project, please contact Cheyanne at (715) 682-7425 | [officemanager.thebrick@centurytel.net](mailto:officemanager.thebrick@centurytel.net).
