

The BRICK Ministries

Quarterly Newsletter

Volume 10, 2016

From the Director—

Our Board of Directors has been working double time recently. Their work is essential to The BRICK Ministries' ability to serve our community. Here's why –

The Board of Directors is in charge of our organization. *They* have the ultimate responsibility to make sure that our program participants are receiving high quality services from The BRICK. *They* have the ultimate responsibility to our donors that we're using our funds in a responsible manner. *They* have the ultimate responsibility to ensure that our staff – both paid and volunteer - is doing a good job of serving our program participants. That is a heavy load to carry – and our Board is doing a great job!

The Board's most significant action this year has been to adopt the Amended and Restated Bylaws. This was a huge task. For months our Board reviewed each section of our bylaws, and identified which parts were out-of-date or weren't helpful any longer. They prayerfully considered what new language to use to describe where our organization is headed now. They worked with Attorney Mike Hines, who graciously donated all his time and expertise to rewrite our bylaws. THANK YOU, MIKE!

This job sounds pretty dry – but it was a high priority, because that document provides the structure for the whole organization. Without accurate and current bylaws, we can lose perspective and get off course.

If you see a board member at church or the grocery store, please take a moment to thank them for all the work they do to help us “live Christ's message to compassionately love and respect those in need.”

Liz Seefeldt, Executive Director

**Office
Manager
Emily Heald**

What an exciting few months it has been! From attending conferences, to fundraising grill-outs, to implementing new policies and procedures, there have been no dull moments here at The BRICK! I've greatly enjoyed meeting and getting to know all the volunteers, program participants, and all the community members who work with us to help achieve our mission and vision.

Our biggest change in the volunteer program is the recent implement of a volunteer hour logging protocol. This will be a great tracking device so that we are able to tell our story more effectively, personally recognize volunteers and their hours spent at The BRICK, inform funding sources of volunteer input as a measure of effectiveness, understand exactly how many volunteer hours are required to run The BRICK, and evaluate the success and growth of our volunteer program over time. We also have a new brochure! Stop in any time to grab one.

Also, a huge THANK YOU to everyone who donated and assisted with our Spring Cleaning Campaign. We were able to raffle off spring cleaning kits to 60 households in need. Each kit contained a bucket, mop, broom, paper towels, sponges, toilet brush, toilet bowl cleaner, floor cleaner, all purpose cleaner, window cleaner, and a packet of information for cleaning checklists and tips. The recipients have been SO grateful! Thank you for helping our program participants give their homes a good spring cleaning!

This summer we are planning for some fun and exciting new volunteer projects, as well. Stay tuned for more information!

Chance to win \$10,000 or a new automobile!

Volunteers Needed at the Bayfield County Fair!

Have a fun day at the fair to support program participants at The BRICK!

If you volunteer to sell tickets at the Bayfield County Fair this year, the fair donates \$5 to The BRICK for each hour you volunteer!

Volunteer assistance to sell tickets is needed in **3 hour shifts** for the following times throughout various locations within the fair:

Choices for shifts are on a first-come, first-serve basis.

Thurs. August 11th: 11am-8pm

Fri. August 12th: 7am-9pm

Sat. August 13th: 5:30am-9:30pm

Sun. August 14th: 5:30am-7pm

If you are interested in volunteering, please contact **Theresa LaChapelle** for specific shift times during listed time frames:

BENEVOLENCE

PJ Hyde
Benevolence Manager

As the new Benevolence Manager, I am quickly learning how much assistance our program participants need with their rent and utilities. May phone calls were well over 200 and I am still trying to get caught up. This winter has been very tough on Ashland and Bayfield County residents.

In addition to speaking and meeting with many individuals, during April and May, I have attended many seminars and the Hunger Summit Conference, which contained very useful information and helpful resources, education and ideas on how to reach, teach and collaborate with other organizations in our counties. Here is a quick overview of just some of these opportunities:

- I visited two of our three outlying food shelves, introduced myself, and educated other volunteers regarding our services through the Benevolence Program, and saw how other sites are setup differently from the site in Ashland. Looking forward to meeting with South Shore volunteers in Cornucopia sometime in June!
- The UW Extension held their Money Management Coaching Instruction Course, which allowed me to gain tools to assist participants with their spending plan.
- Emily and I participated in the Iron River Health and Wellness Fair. This was a wonderful opportunity to expand my knowledge of resources and network with other organizations.
- Feeding Wisconsin's 2016 Hunger & Health Summit offered ideas and best practices for outreach and possible resources for streamlining sustainable community partnerships.
- Emily and I attended the seminar, "Approaching Alzheimer's - Make Your First Response The Right Response," presented by Sharlene Bellefeuille of the Alzheimer's Association, GW Chapter 194. This was a great seminar to educate us about the disease and dementia. We learned about common behaviors, TALK tactics, communication tips and tools that can help with addressing individuals with this disease.

I look forward to upcoming months quieting down, so I can absorb all these great tools and reach out or learn about many more resources in our community. Enjoy your summer!

Irene Piff

Irene is a lifelong resident of the area, and moved to Ashland after getting married. A little over two years ago, she decided to join our volunteer team to give back to the community as a way to fill her days in a good way. Irene enjoys interacting with and talking to all the different people who pass through The BRICK. She is a self-described “people person,” and we agree with her! Irene has been amazed by how many people The BRICK helps, how many people donate to our cause, and that everyone comes to work together here. Her volunteer time has taught her to keep an open mind and be non-judgmental. In her free time, Irene enjoys card-making, crocheting, and stays busy with her grandchildren and great-grandchildren. Thanks for your time and enthusiasm, Irene!

Donation for The BRICK Ministries, Inc.

Hello from inside the food shelf!

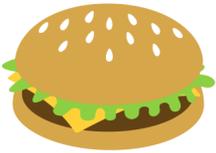

My how time flies – already getting into the summer months (even though some snow flurries not too long ago) and with kids excited to be done with school soon, the time just seems to go by too quick.

We've been busy here in the food shelf with obtaining and distributing more surplus fresh produce and dairy, local food drives and a barbeque fund raiser. One recent endeavor was the annual "STAMP OUT HUNGER" food drive hosted by the National Association of Letter Carriers. This year they collected over 8,000 pounds of food from local area residents, including Ashland, Washburn, Mellen, Cornucopia, Cable and rural areas in between. This is a huge blessing for us and really makes a difference in helping to fight hunger in Ashland and Bayfield Counties.

Many THANKX!!! to all the Letter Carriers for their efforts in collecting all that food and to the residents who donated it! I also want to thank the many volunteers who took the day to sort and organize all that food on our shelves!! This again speaks to the awesome generosity and commitment of our northland community in reaching out to those in need!!

God's Peace and Grace to all!

Support The BRICK at

Tuesday, July 12, 4-8pm

Culver's in Ashland, 2101 Lake Shore Dr.

10% of the evening sales will be donated to The BRICK to help support program participants receive food and assistance with emergency financial needs.

Join us for good food and good company!

Satellite Spotlight

Cable Area Food Shelf: Cable, WI

Spring is a busy time at the Cable Area Food Shelf, as it is at all the other BRICK locations. In April we hosted our fifth annual Empty Bowl Event at the Cable Community Center. With all food, entertainment, and silent auction items donated, and the hard work of our volunteers to decorate, serve, and clean up, the event was a great success in raising funds to support the services we provide to those in need in our area.

This is also our first year participating in the Spring Cleaning Kit project of The BRICK. Thanks to the Ashland office staff for including the satellites locations in this drawing for cleaning kits! We hope to give the kits to our winners this week.

Of course, we participated in the postal service food drive and sorted and shelved over 700 pounds of food! We appreciate the postal workers, those who so generously donate, and the volunteers who helped with the sorting.

Summer means an opportunity to continue our relationship with the Cable Community Farm and the "Growing Together Garden." This garden is planted, weeded, and harvested by volunteers; and food is available to Cable Area Food Shelf participants, as well as the Farm's Free Food Monday program. Information about the Community Farm is available at the food shelf, as well as nutritious locally grown food samples and recipes to help us promote gardening as well as healthy eating. The coordinators and other volunteers of all four churches in Cable are grateful to be able to serve those in need in our community with the tremendous help of The BRICK staff. Thanks and blessings to all!

Teri Hanson

Join friends and neighbors for some good home cooking!

Friday Dinners 5:30 p.m.—7 p.m.

Sunday Soup 5:00 p.m.—6 p.m.

Meals are provided by area churches, organizations, and individuals.

From the Board Room

Welcome, Jim Matzinger!

Jim Matzinger is a new Board Member as of June and a food shelf volunteer since October 2014. Jim grew up in Madison and graduated with a Finance degree from UW-Eau Claire and an MBA from Edgewood College. After a 32 year finance career at Oscar Mayer, Kraft Foods and Mondelez International, there was an opportunity to retire in 2014 and move from the Chicago area to Ashland. Jim's background in financial budgeting, planning, and analysis will assist The BRICK Ministries in many ways. Jim enjoys volunteering and is also involved with Faith In Action, the VITA free tax site, and the Salvation Army bell ringers. He attends worship at Good Shepherd Lutheran Church and the Chequamegon Unitarian Universalist Fellowship.

As early retirees, Jim and his wife Betsy enjoy the northland area beauty. They frequent many of the nature, music, art and other cultural or educational activities offered in Ashland and the Bayfield peninsula. You'll often see them walking the town shopping or enjoying the lake shore, parks, and corridor. It is truly a blessing to live in a region with a million acres of forest and the most beautiful great lake. Jim was also glad to return to his Wisconsin roots being a lifelong Badger and Packer fan.

Open to everyone!
